University of Minnesota GPA

Earned:

3.500 GPA

- 1) ...
- You need a 2.00 GPA in University of Minnesota coursework upon graduating. This includes credits from all University of Minnesota campuses and excludes transfer credits.

✓

University of Minnesota S Grade Credit Limit

- 1) ✓
- You may not count more than 20 S grade credits from the University of Minnesota towards your degree. This includes credits from all University of Minnesota campuses and excludes transfer credits.
- Select from: *****

...

Credits Completed through U of M

- 1) ...
- Credits completed on campus: overall
You must complete at least 30 credits through University of Minnesota Twin Cities and Rochester.

Credits completed through the University of Minnesota Twin Cities include those taught on campus, online, and approved learning abroad courses.

- 2) ...
- Credits completed on campus: 15 of final 30
You must complete at least 15 of your last 30 credits through University of Minnesota.

Liberal Education Requirements

First-Year Writing

First-Year Writing

1) 1 course taken

Term	Course	Credit	Grade	Title	
F 24	1WRIT1301	4.0	A	University Writing	

Writing Intensive

Earned: 1 course

Needs: 3 courses

You must complete 4 writing intensive (WI) courses. At least 2 of your WI courses must be upper division (3xxx-level or higher) and at least one of the upper-division WI courses must be within your major.

Up to 2 lower-division (2xxx-level and below)

1) WI courses

Term	Course	Credit	Grade	Title	
F 24	1PHYS1301W	4.0	B+	Phys for Sci and Engr I	

At least 2 upper-division WI courses

2) WRIT 3562W counts as 2 upper-division WI courses.

Upper-Division Writing Intensive within the Major

Students are required to take one upper-division writing intensive course within the major. If that requirement has not been satisfied within the core major requirements, students must choose one course from the following list.

Needs: 1 course

Select from: 1CSCI 4271W,4511W or 1MADR 4511W 1CSCI 4970W 1STAT 4893W 1WRIT 3562W or 3562V 1CSCI 3081W or 1MADR 3081W

Diversified Core - Biological & Physical Sciences

Needs: 1 sub-req

Biological Sciences with lab or field experience

1) Needs: 4.00 credits 1 group

Physical Sciences with lab or field experience

2) 4.00 credits used

Term	Course	Credit	Grade	Title	
F 24	1AST 1001	4.0	A	Explore Universe	

Diversified Core - Historical Perspectives & Social Sciences

Needs: 1 sub-req

Historical Perspectives

1) Needs: 3.00 credits

Social Sciences

2) 4.00 credits used

Term	Course	Credit	Grade	Title	
SP23	1PSY 1001	4.0	T5	PSYCHOLOGY AP EXAM: PSYC	

Diversified Core - Arts/Humanities & Literature

Needs: 1 sub-req

Arts/Humanities

1) 3.00 credits used

	Term	Course	Credit	Grade	Title
	F 25	1ARTS1001H	3.0	A	HonorsIntro Contemp Art Theor
	Literature				
2)	Needs:		3.00 credits	1 course	

✓

Diversified Core - Mathematical Thinking

- 1)

Data Science BSDS - Major Requirements

✗

Minimum Major Credits and Major GPA

- You must complete all major courses on the A-F grading basis unless the course is only offered S/N, and you must earn a grade of C- or better.

A course may only count for one major requirement.
- 1)

✗

You need at least 94 credits in this major. This GPA includes all major credits, including transfer credits.

54.00 credits used

3.370 GPA

In prog: 11.00 credits

Needs: 29.00 credits

...

Upper-Division Credits in the Major

- 1)

...

 You must complete at least 32 upper-division (3xxx-level or higher) credits for this major through University of Minnesota Twin Cities. This includes those taught on campus, online, and approved learning abroad courses.
- 26.00 credits used
- In prog: 11.00 credits

First-Year Experience

- 1)

✓

 All first-years in the College of Science and Engineering must complete CSE 1001: First-Year Experience.
- | | Term | Course | Credit | Grade | Title |
|--|------|-----------|--------|-------|-----------------------|
| | F 24 | 1CSE 1001 | 1.0 | A | First Year Experience |

✓

Admission Requirements

Earned:

4 sub-reqs

Mathematics Introductory Core

1)	✓	Calculus I			
		Term	Course	Credit	Grade
		SP24	1MATH1271	4.0	T
		Title

Elective Credits

- ✓

The number of elective credits required to complete this specific degree:

These credits are not required by this specific degree, but count towards the minimum degree credits required.

- ✓

Non-applicable Credits

1)

These credits are not currently applicable to this specific degree (e.g., course prerequisite, course requirement for additional major or minor). These go beyond the minimum degree credits required.

10.00 credits used

Term	Course	Credit	Grade	Title
